CEMPAKA INTERNATIONAL SCHOOL, DAMANSARA HEIGHTS

A-LEVELS PROGRAMME

Cempaka's A-Levels programme provides a solid grounding for tertiary studies in medicine, pharmacy, dentistry, engineering, computer science, information technology, biotechnology and other related programmes. The programme places emphasis on knowledge, understanding, reasoning abilities and skills. It is one of the most recognised pre-university qualifications in the world and is accepted as proof of academic ability for entry into world-class universities in the United Kingdom, USA, Singapore, Germany, Australia, New Zealand, Canada and Malaysia, to name a few.

Admission Requirement

5 credits in SPM, IGCSE or O Level or the equivalent. Students who do not meet the academic requirement for entry may be accepted conditionally. These conditions will be determined by the Head of A-Level Department.

Programme

Cempaka's A-Levels programme is divided into Advanced Subsidiary (AS) and Advanced Level (A2).

Duration

The programme duration is 18 months - 24 months

School Hours

Monday - Friday - 8.00 a.m - 3.30 p.m.

Academic Calendar

THREE terms in a year : *September - November, January to March and April - July*

Personal Tutor System

Each student will be assigned a personal tutor to monitor their academic progress, liaise with all teachers in all aspects of the student's well rounded education and provide pastoral care.

Lecturers

Cempaka Schools employ inspirational teachers with a passion for their subjects. They are known for their dedication and individual care of students and their commitment to professional development.
